When there are no safe places: The perspective of women who use drugs

Portugal (In Portuguese)

Dialogues

Community based provision of hepatitis C testing and treatment

Chaired by: Annette Verster

Claudius Mene Lee: Community involvement in hepatitis C treatment guidelines in Indonesia

Aung Yu Naing: Neglected hepatitis B – Place prevention before treatment

Marianne Alanko Blome: Project Actionne: Hepatitis C treatment at the Malmö Needle Exchange Program

Teresa Soeua Low: Threshold hepatitis C treatment: Diagnosis, access, criteria and outcomes

Nico Clark: Opportunistic testing of hepatitis C in a medically supervised injection room - A client centred approach

Mathilde Laval: An innovative peer-based support program, providing a scalable solution for access to HCV screening and treatment for PWID into the public healthcare system in Haiti, Vietnam

Abigail Lukhwaro: Occasional injecting increases risk of acquiring hepatitis C among people who inject drugs in Nairobi, Kenya

Challenging injustice: Legal aid experiences around the world

Chaired by: Giada Girelli

Mary Catherine Alvarez Del Rosario: Establishing StreetLawPH towards access to justice and human rights protection for persons who use drugs in the Philippines

Albert Wirya: Investigating the potential of a paralegal program to realize improved access to drugs and the right to health for key populations in Jakarta, Indonesia

Tudha Wahl: Paralegal community in the epidemic of injustice: The role of paralegals from drug user communities in the fullfilment of drug users’ rights

Abdulla Badru: Community paralegal interventions for access to justice, legal and health care rights for drug users charged with drug offences in Mombasa, Kenya

Civil society pushing for reform

Chaired by: Jamie Bridge

Prince Bull-Lisent: Evidence-based drug policy: The road map to decriminalization and sustainable harm reduction

Sovannary Tuot: Cambodia’s experience: Government and NGOs working together to shift compulsory to community based drug treatment amongst people who use drugs

Rodney Holcombe: Clean state: Reducing barriers to post-conviction relief in the United States

Marie Marsala: Understanding the narratives of Pateros Mothers’ Activism under the Philippine Drug War

Cécile Kastrihanse: Resistance = Life: Civil society mobilizing to defend overdose prevention sites and supervised consumption services in Ontario, Canada

Reaching communities impacted by conflict and crisis

Chaired by: Benjamin Phillips

Marie Jauffret-Roustaie: Drug use and migration: Urgent need for reinforcing access to care and social integration - Results from ANRS-Coquelicot study, France

Dan Weir: Reforming medication-assisted treatment to achieve harm reduction goals and address injection initiation assistance in Tijuana, Mexico

Svetlana Moroz: Access to harm reduction services among women who use drugs living near the Armed Conflict Zone in Ukraine

Sudan Manandhar: Effects of regulation on methadone and buprenorphine provision in the wake of catastrophic earthquake in Nepal

Min Wai Lwin: Desensitizing local static community using community based organisations

The kids are alright: Harm reduction and youth

Chaired by: Zoe Carre

Sandep Shahi: Building public health-friendly law enforcement: A young people who use drugs perspective

Chinhra Inamukda: Integration of comprehensive package of services for minors who use drugs in the Kyrgyz Republic

Joana Canedo: YPWUD and law enforcement interactions - Drugs are not born in trees or sent to parties with the force of a Jedi

Damon Barrett: Canada, cannabis and the Convention on the Rights of the Child

Impact of PHEP: Montreal - Sandhia Vadlamudy & Louis Letellier de Saint-Just

Workshop 2

Katinka van de Ven: Working with people who use performance and image enhancing drugs (PIEDs): Engagement workshop targeted at healthcare professionals

Harm Reduction International Conference | Porto, Portugal | 28 April - 1 May 2019

Conferência Internacional de Redução de Riscos | Porto, Portugal | 28 de abril - 1 de maio 2019
OUT THERE ON THE STREET: HOMES, MONEY AND DOGS
Chaired by: Daniel Wolfe
Marcela Adriana de Silve Lucena: New Pathways Project – A Housing First experiment with income generation as a way of reducing the vulnerability of people using drugs in Fortaleza / Projeto Novos Caminhos - Uma experiência de ‘housing first’ e geração de renda como redução de vulnerabilidade de pessoas que usam drogas na cidade de Fortaleza – Brazil
Oriol Segovia Minguet: Fortaleza - Brasil
Matuzalem Maycon Araújo Santos Matuza – Danos em Homens que Fazem Sexo com Homens e Sexo Comercial

AS PESSOAS ANTES DA POLÍTICA
BEFORE POLITICS

WORKSHOP 3
HARM REDUCTION
Alex Andrews: Know Your Rights training as a harm reduction

DIALOGUE SPACE
Lusophone Approaches to Key Populations
Homeless Crack Cocaine Users: Territories and Territorialities in the Constitution of Social Support Networks for Health – Pilar Belmonte
Harm reduction among Men Who Have Sex with Men and Commercial Sex / Redução de Danos em Homens que Fazem Sexo com Homens e Sexo Comercial – Matuzalem Maycon Araújo Santos Matuza

DRUGS AND SEX: SUPPORTING PEOPLE WHO ENGAGE IN CHEMSEX
Chaired by: Machteld Buzs
Heino Steyer: Equity and opportunity in prison healthcare: Setting standards for prisoner HCV care services in Europe
Kastutis Butkus: Lithuania - Substitution treatment is approved by law in the imprisonment places, seven years of bringing a suit against Lithuanian institutions, 45 days of abstinence and torture, and moral harm: estimated 300 euros. Learned lessons and further steps
Perrine Roux: Correlates of self-reported HCV seropositivity among active people who inject opioids: The impact of the prison experience
Dina Masalimova: Access to harm reduction and HIV treatment and care services among gay and bisexual men in Australia

TECHNOLOGIES AND TOOLS FOR HARM REDUCTION
Chaired by: Tanya Deyhko
Tetiana Salik: Increasing HIV awareness and reducing the HIV risk: Integration of HIV directly assisted self-testing in harm reduction program
Thomas Cai: Impact of different recruitment criteria on the compliance of take home methadone treatment
Feautino (Tino) Fuentes: Grassroots drug checking for home methadone treatment
Reece Cassar: Describing client presentations at syringe dispensing machines in Melbourne, Australia: A novel method of data capture

FROM PUBLIC HEALTH TO POLITICS: INTRODUCING DRUG CONSUMPTION ROOMS
Chaired by: Kirsten Horsburgh
Em Pij: Ensuring the acceptability of Supervised Consumption Services in Canadian neighbourhoods: Opportunities for relationship, mitigation and education
Saket Priyadarshi: Learning from an HIV outbreak in Glasgow - The UK’s first Safer Injecting Facility is required to reduce harms and address complex needs
Ricardo Fuertes: Drug Consumption Rooms in Lisbon - Implementation process
Ryan McNeil: Scaling up supervised consumption services in response to the overdose crisis: Lessons from a rapid ethnographic study of overdose prevention site implementation in Vancouver, Canada

PROGRAMME - TUESDAY 30 APRIL
PROGRAMA - TERÇA-FEIRA 30 DE ABRIL

PLENARY 8
09:00 - 10:30
ARCHIVE HALL

DRUGS AND BEYOND: UPHOLDING HUMAN RIGHTS
Chaired by: Ajeng Larasati

Rodrigo Uprimny Yepes, Dejustícia
Nana W Gothfredsen, Gadejuristen - The Street Lawyers
Teno Aweya, United Nations Development Programme
Sarah Balal, Justice Project Pakistan

BREAK
10:30 - 11:00

DIALOGUE SPACE
10:30 - 11:00

Recipes from the underground kitchen: Home cooking and the New Zealand drug experience – Rhys Ponton

COMMUNITY HUB
10:40 - 10:55

‘Drop in’ micro-elimination presentations – Interactive, expert-led session focusing on sharing of best-practice hepatitis C (HCV) elimination projects to facilitate open discussion and exchange of ideas, hosted by Gilead Sciences

PLENARY 8
09:00 - 10:30
ARCHIVE HALL

FAST-TRACK STIMULANTS
Chaired by: Mat Southwell

Rafaela Rignoni: Harm reduction for people who use stimulants – The need for an inclusive and human development-oriented approach
Raquel Rebela: Distribution of smoke materials as a strategy to approach people who use drugs
Emesto Cortes: Smokable cocaine in Latin America and the Caribbean: An exploratory and comparative research
Mohamad Majid: New trends in Kabul’s open drug scene: Shisha, new risks and challenges for harm reduction responses

DIALOGUE SPACE
10:30 - 11:00

Urban Drug Policy: The Need for Local Reforms
Chaired by: Michiel Kazatchkine & Ethan Nadelmann

Fernando Paula: Porto: Local drug policy in a context of decriminalization
Carrie Fowlis: Caribera: Urban drug policy on the most urban continent – Challenges and lessons learned
Sakila de Paixao: Timor-Leste: Priorities: Strategies to reach all urban dwellers – Service provision to the homeless
Hannah Hettner: US: Local drug policy in a repressive national environment
Alkayse Lahou: St. Petersburg: Harm reduction in the midst of an epidemic

DIALOGUE SPACE
11:00 - 11:30

Community Mobilisation: Criminalised Communities
Chaired by: Iain ‘Buff’ Cameron

Valentin Simionov: Strengthening community-led organising and advocacy through normative guidance
Ariana Magued: ‘The quest for legitimacy’ – Drug user representation in high-level drug policy settings
Antoniu Llort Suarez: Prescription of drugs: user’s associations: A vital tool to prevent hepatitis, HIV and other associated issues
Fabrice Olivier Rapaudo: To escape from double blindness in culture and language for harm reduction initiatives in Africa

DIALOGUE SPACE
11:00 - 11:30

ROGUE STATES: THE DEATH PENALTY FOR DRUGS
Chaired by: Jennifer Hasselberg-Roeke

Gisela Girletti: The death penalty for drug offences: Populism against evidence
Julian McMahon: Drugs and the death penalty: Language and advocacy in Asia
T.F.R. Murphy: Death penalty for drug offences in Asia: A mere distraction from the real issues?
Aurelia Falcas: Women facing the death penalty for drug related offences

DIALOGUE SPACE
11:00 - 11:30

Mobilising Criminalised Communities
Chaired by: Iain ‘Buff’ Cameron
